Remarks: Attached for your review is the first cut at the consolidated FY 75 KIQs. This package is not being circulated outside the NIO structure at this time. NIO/SP will be revising some of its KIQs based on late suggestions from the DOD and replacement pages for these KIQs will be forwarded as soon as possible. Additionally, the DCI's Objectives have been slightly modified from those in this copy and the next printing will reflect these changes.
